Ash Wednesday → Lent → Holy week → Easter

Ash Wednesday is just behind us. We received ashes on our foreheads with the words, "Remember that you are dust and to dust you shall return." It's a sobering thing to do but also a freeing thing. It reminds us that we are mortal and yet God promises to hold us today and always. It reminds us that each and every day is precious and not to be taken for granted.

Lent is here.

A season of the church year that we as followers of Jesus try our best to gain perspective on life, on the world and on our own callings as people of God.

Our theme for our Lenten series is "Reflections of Lent: Faith and Mirth with the Skit Guys." We will watch in different videos as Eddie and Tommy act out different things with humor, seriousness and also with love and grace. They will explore themes of humanity, sins, forgiveness, following, mistakes, Jesus, God, Spirit and grace.

Lent is always my favorite time of the year because we are able to come together to share a meal, to worship together and to prepare for Holy Week and Easter.

Holy Week is full of opportunities to remember what Jesus went through.

Palm Sunday and the Hosannas!

Maundy Thursday and the first Last Supper.

Maundy Thursday and the washing of his disciples' feet and His command to "love one another."

The Garden of Gethsemane, sleeping disciples and the betraying Judas.

Good Friday and the darkness and cries and the last breath.

Holy Saturday with the silence...

It is difficult but necessary and good for us to remember the events that happened. The things that took place. The lengths that Jesus chose to go through so that we all could know the love of God for us... always.

Holy Week is heavy but also essential for us to have a proper perspective on what Easter Sunday is all about.

Proper perspective...seeing things as they are, or more importantly, to see things as God sees them.

That is one of the main reasons why we continue to meet as people of God; to have perspective.

In this season of Lent, may you have perspective on how much God loves you.

May you grow in your faith and trust in that true promise from Jesus and the cross to you.

May you daily continue to see the world more and more as God sees it.

And may you give thanks for today as the precious gift it is.

Call Committee Update

The Ministry Site Profile (MSP) / Call Committee team is a well-rounded group of members who started their work in early November, 2023. Kiley Mroczynski, Church Council – Worship Committee, noted that there is a good representation of our membership on the team. They have established group norms for conversations and a unified front. Kiley noted that it is a lengthy process - the team is following the process but not a timeline. The MSP team's goal is to come together with a shared vision and Kiley will report their progress to the Council each time they meet. Pastor Stuart noted that the committee cannot give out any specific information (names/genders/places) because of confidentiality to the candidates. Pastor said we should pray for this process and he noted we should “let it take as long as needed for a good fit.” Kelly Hohman (also on the team) made a progression chart of the MSP/Call Committee in the “Gathering Area” (see picture below).

A question was asked: “Are the same people on the Call Committee as last time?”

Pastor Stuart said some of the people are the same and some are different than Pastor Jim's call. Pastor Stuart and Pastor Asher (ELCA) are also on the team.

Sunday School

With a little more than two months to go in this Sunday School year, I hope your child(ren) have shared with you some of their experiences, stories and crafts that they have learned and created. With our curriculum corresponding to the weekly sermons, we hope this provides some interactive conversations outside of church.

Our Extreme Bingo was held on February 25. The children had a great time. Thank you to all who donated prizes.

Please encourage your child(ren) to bring in non-perishables food items to assist Full Circle with their 'Feed the Snowman' challenge until March 17. Let's see how big we can build the snowman!

During February, we heard from some past attendees to the Crossway Camp Ministries. They shared their stories and their experiences at camp and what is all available to do. There is additional information about Crossways on the Youth Education bulletin board and at their website: www.crosswayscamps.org. Did you know that Peace Lutheran will help fund your family or child's trip? Forms and more information are available in the church office.

LOOKING FOR IDEAS from the congregation! Do you specialize in an area that you would like to share with the children? Want to show the children something special (games, science projects, etc)? We are looking for ideas for a couple of fun Sundays in March and/or April that we can do as a large group activity (inviting parents to join too). Please reach out to Laura Ruotsala with ideas or if you want to head up the fun! Thanks.

In March, the children will continue to learn more stories about Jesus and his wonderful talents and love.

We will have Sunday School on Sunday, March 24, but NO CLASS on Easter Sunday, March 31. Normal classes to resume on April 7. Looking ahead to April, the Sunday School children will sing at the 9:20 service on April 14.

Please remember that your child(ren) can start Sunday School at any time during the school year! Guests are also welcomed to attend. Questions can be directed to the church office or Laura Ruotsala at youthed@peacelc.org.

Katie's Circle

Katie's Circle meeting/Bible study: Tuesday, March 19th, 2024, at 1:00PM

This month we continue our theme Scripture and Nature, with Rivers: Springs of life and hope. Fresh water. Most of life on our planet depends on it. We'll journey from the rivers in Eden to the prophetic springs in the desert, and from Jesus' baptism at the river Jordan to the crystalline river of life in Revelation. We'll discover how rivers are sites of healing, restoration, identity and imagination.

Each month is a separate study. Previous attendance is not required. Copies of the Gather magazine are available in the church office.

Get to Know Your Endowment Fund . . .

Frequently Asked Questions About Giving

How does our Endowment Fund create an ongoing source of income to Peace Church?

Because a permanent endowment is an invested pool of money that provides a reliable source of income in perpetuity, Peace Church can count on annual distributions for its charitable work. Funds will be designated for endowment by the members of the Endowment Fund in December each year. With appropriate investment and spending policies, the endowment's purchasing power will be preserved. The endowment also grows over time with additional gifts from multiple donors.

A congregational Endowment Fund is about our part in ministry even after our death. It's our Legacy! Through an Endowment Fund, earnings from your gift keep on giving to the ministries of the church long after we are gone. These funds make a ministry possible where otherwise it might not happen, now, or in the future.
