A vertical graphic where the words "SUNDAY SCHOOL" are written in large, colorful, playful letters. Each letter has a small, diverse child character standing next to it, holding hands or in a similar friendly pose. The children are wearing various colorful outfits and hats.

Back to School also means Back to SUNDAY School!

As your family finishes getting school supplies ready for the new school year, consider the most important gift we can impart on our children as they leave home each day - the knowledge that God loves them dearly and is with them all the time.

At Sunday School, your children will learn about God in a classroom with friends, which are their age. We do a story, craft and an activity centered around the theme in church each Sunday.

Registration: You can register early at church-- forms are available in gathering area or counter by back south door or online. Each child attending should have a form on file. It is important we know about any allergies or special needs.

Welcome back!

We're excited about a great year of learning and sharing God's love! Room assignments are given below, but if you have additional questions, please contact the church office or Laura Ruotsala.

It's all in the details...

Sunday School starts on
September 15th at 9:15 am

All children (members or non-members) are welcome to join us.

All students gather in the Large Fellowship Hall for opening before dismissing to classrooms.

Sunday School drop off is 9:15 to 9:20 am and pick-up is 10:15 am (or after 9:20 am church is out). Please pick up your children from their classrooms promptly.

Music, devotion and offering: Each week we have a time for music and devotions where an offering is collected. Envelopes are available in the gathering area or back of large fellowship hall. Last year we donated our offering to Wisconsin Children's Hospital. We may also do special offerings and food drives that will be announced in advance.

If you would like to volunteer to help with Sunday School, please contact the church office or Laura Ruotsala. ** We need teachers, helpers and substitute teachers **
